IQAC – Internal Quality Assurance Cell

In 2020, the IQAC of Achariya Arts and Science College have been constituted with the notion of implementing several short-term and long-term perspective plans in consultation with the College Development Council and Management.

The IQAC of the college, identified few thrust areas such as Inclusive Excellence, Digital Campus, Research, Green Campus, Sports, Community Building and Infrastructure to be included in its perspective plans to transform the institution to an Autonomous College and also promises to work incessantly to receive the Potential for Excellence status from the UGC.

IQAC will also ensure the planning and effective implementation of programmes charted out for every academic year, and also to prepare the AQAR in an effective way.

It also endeavours to achieve its notion by constantly improving the quality management through:

Providing conducive learning ambience

Holistic education

Adoption of Innovative teaching methods.

Introducing new LMS platforms

Student-centric activities

Faculty development programmes

Continuous review of systems and processes to ensure Quality assurance.

Creating a culture of total quality as a way of life

Inculcating ethical values by providing various life skill practices

To create the students - lifetime leaders
